

Kisah Kasih Di Sekolah

Resah dan gelisah
Menunggu di sini
Di sudut sekolah
Tempat yang kau janjikan
Ingin jumpa denganku
Walau mencuri waktu
Berdusta pada guru.

Malu aku malu
Pada semut merah
Yang berbaris di dinding
Menatapku curiga
Seakan penuh tanya
"Sedang apa di sini?"
"Menanti pacar," jawabku.
Sungguh aneh tapi nyata
Takkan terlupa
Kisah-kasih di sekolah
Dengan si dia.
Tiada masa paling indah
Masa-masa di sekolah.
Tiada kisah paling indah
Kisah-kasih di sekolah.

Malu aku malu
Pada semut merah
Yang berbaris di dinding
Menatapku curiga
Seakan penuh tanya
"Sedang apa di sini?"
"Menanti pacar," jawabku.
Sungguh aneh tapi nyata
Takkan terlupa
Kisah-kasih di sekolah
Dengan si dia.
Tiada masa paling indah
Masa-masa di sekolah.
Tiada kisah paling indah
Kisah kasih di sekolah.
Tiada masa paling indah
Masa-masa di sekolah
Tiada kisah paling indah
Kisah-kasih di sekolah
Masa-masa paling indah
(Masa indah)
Kisah-kasih di sekolah
(Kasih kita)

The Story Of Love At School

Restless and agitated
Waiting here
At the corner of the school
The place you promised
You want to meet with me
Although it's stealing time
Lying to the teacher.

Shame, I am ashamed
Towards the red ants
Lined up upon the wall
Staring at me suspiciously
As if full of questions
"What are you doing here?"
"Waiting for my girlfriend," I reply.
It's really weird but it's true
I will never forget
The love story at school
With her.
There is no time more beautiful
Than the time at school.
There is no story more beautiful
Than the love story at school.

Shame, I am ashamed
Towards the red ants
Lined up upon the wall
Staring at me suspiciously
As if full of questions
"What are you doing here?"
"Waiting for my girlfriend," I reply.
It's really weird but it's true
I will never forget
The love story at school
With her.
There is no time more beautiful
Than the time at school.
There is no story more beautiful
Than the love story at school.
There is no time more beautiful
Than the time at school
There is no story more beautiful
Than the love story at school.
The most beautiful of times
(Good times)
Love story at school
(Our love)
