

RESEARCH FOR CARDS PROJECT

You still need to gather some information to put on your other three cards for the “Go Fish” game. Using the Internet, find information to fill up all the spaces on the chart below. All your information needs to be from the same island (or near to it) as you chose for your Islands card. You can write your research in English and you will change it to Indonesian in class when you learn how to do that.

RESEARCH ON ...	DETAILS	NOTES
<i>Research what ethnic groups live on your island</i>	Name of ethnic group: _____	orang?
<i>Research what language your ethnic group speaks</i>	Language spoken: _____	bahasa?
<i>Find and save a photo of the traditional clothing of your ethnic group</i>	Colours of traditional clothing: _____ _____ _____	See page 17 of your booklet for the colours in Indonesian
<i>Look up the dancing of your ethnic group on YouTube and decide what words best describe it</i>	Dancing (description): _____ _____	See page 17 of your booklet for words to describe dancing
<i>Google “masakan orang ...” to find typical dishes, then look at some images to help you describe them</i>	Traditional food dish(es): _____ _____	See page 17 of your booklet for words to describe food
<i>Research THREE interesting places (or even interesting things) on or near your island</i>	Place/thing 1: _____ Description: _____ _____ Place/thing 2: _____ Description: _____ _____ Place/thing 3: _____ Description: _____ _____	See your booklet for adjectives to describe the places you find.

NOW YOU ARE READY TO START PREPARING YOUR DESCRIPTIONS IN INDONESIAN TO MAKE THE REST OF YOUR CARDS!
