

## AI INI MILIK YOU

# Bukan ku tak sayang  
Bukan ku tak cinta  
Bukan ku tak suka.  
Aku milik engkau  
Ku milik dirimu  
Ai ini milik you.

\*Punya pacar cerewet  
Suka sekali ungkit ungkit.  
Cemburunya selangit  
Tapi duit tidak pelit.

Berulang-ulang sudah kubilang  
Bukan tak sayang kepada abang  
Tetapi memang rasanya kesal  
Karena abang selalu bimbang

# (Repeat)  
\* (Repeat)

Berapa lama kita bercinta  
oh masih juga abang curiga.  
Apa enaknya tak dipercaya?  
Kalau berjumpa tak pernah mesra

\* (Repeat)

Apa maunya ya turuti saja  
Ya suka tak suka, terpaksa suka  
Ai pacar tua, selera muda  
Membikin dia cemburu buta.

## I BELONG TO YOU

It's not that I don't love  
It's not that I don't adore  
It's not that I do not like.  
I belong to you  
You own me  
I am yours.

I've got a fussy boyfriend  
Always likes to bring up the past.  
He's exorbitantly jealous  
But with money, not stingy.

I've said over and over again  
It's not that I don't love him  
But it feels upsetting  
Because he's always distrusting.

How long have we loved  
oh he's still suspicious.  
Where's the fun if you're not trusted?  
It's never an intimate encounter.

Whatever he wants, I just obey.  
Whether like or not, I am forced to like  
My old boyfriend with his young tastes  
Makes him blindly jealous.
