

AKU SUKA KAMU

Mulanya biasa saja
Di antara kita berdua
Tak pernah ada rasa cinta,
Hanya teman biasa saja.

Tiada ku sangka hati tergoda
Terpanah asmara hm.. ye.. ye...
Ada cintamu woo o... o...
Dalam hatiku
Yang tumbuh bersemi.

Entah bagaimana
Ku harus memulai ternyata
Jadi satu problema cinta
Tuk mengucap kata mesra.

Tiada ku sangka hati tergoda
Terpanah asmara hey... ye...
Ada cintamu wow wo...
Dalam hatiku
Yang tumbuh bersemi.

Aku suka kamu,
Kurasakan ku cinta padamu.
Aku suka kamu,
Kaulah segalanya dambaanku
Di dalam hidup ini.

Entah bagaimana
ku harus memulai ternyata
Jadi satu problema
Tuk mengucap kata mesra?

Tiada ku sangka hati tergoda
Terpanah asmara oh... oh...
Ada cintamu hu... u... u...
Dalam hatiku
Yang tumbuh bersemi.

Aku suka kamu,
Kurasakan ku cinta padamu.
Aku suka kamu,
Kaulah segalanya dambaanku
Di dalam hidup ini. (x2)

I LIKE YOU

It started just ordinarily
In between us both
There never was a sense love,
Only just ordinary friends.

I did not suspect my heart would be tempted
Shot by (arrow of) romance hm.. ye.. ye ...
There is your love woo o ... o ...
In my heart
Which is blossoming.

I don't know how
I must face the obvious
That one of the problems of love
Is to utter the word (love).

I did not suspect my heart would be tempted
Shot by (arrow of) romance hey.. ye..
There is your love wow wo ...
In my heart
Which is blossoming.

I likes you,
I feel I love you.
I likes you,
You're everything I'm longing for
In this life.
