

# **ANAK SEKOLAH**

Bukan aku tak tertarik  
Dengan kata rayuanmu  
Saat matamu melirik  
Aku jadi suka padamu.

Tiap kali kau bermanja  
Gemetar rasa di dada  
Ingin kubisikan cinta  
Tapi hati ini malu jadinya.

Chorus :

Engkau masih anak sekolah  
Satu S.M.A.  
Belum tepat waktu 'tuk  
Beginu – begini.  
Anak sekolah  
Datang kembali  
Dua atau tiga tahun lagi

# **SCHOOL CHILD**

It's not that I'm not interested  
With you words of flattery  
The moment your eyes stole a glance  
I started to like you.

Each time you seek affection  
There's a tremble in my chest  
I wish to whisper words of love  
But I'm too ashamed to make it happen.

You are still a school child  
First grade of Senior High.  
It's not yet the right time  
For this and for that.  
School child  
Return again  
In two or three years time.
