

BENTO

Namaku Bento, rumah real estate
Mobilku banyak, harta berlimpah
Orang memanggilku bos eksekutif
Tokoh papan atas, atas segalanya
Asyik....!!!

Wajahku ganteng, banyak simpanan
Sekali lirik oke sajalah
Bisnisku menjagal, jagal apa saja
Yang penting aku senang, aku menang
Persetan orang susah karena aku
Yang penting asyik, sekali lagi
Asyik....!!!

Khotbah soal moral, omong keadilan
Sarapan pagiku
Aksi tipu-tipu, lobyng dan upeti
Wow jagonya
Maling kelas teri, bandit kelas coro
Itukan tong sampah

Siapa yang mau berguru datang padaku
Sebut tiga kali namaku Bento

BENTO

My name is Bento, I live in an exclusive estate
I have many cars and wealth in abundance
People call me executive boss
I'm a top line prominent figure, on top of everything
Terrific!!!

My face is handsome, I have many mistresses
Just one glance and everything is O.K.
My business slaughters, slaughters anything
What's important is that I'm happy, I win
To hell with people who are destroyed because of me
What's important is I feel terrific, one more time
Terrific!!!

Preaching morals, talking of justice
Is like breakfast for me
In actions of deceit, lobbying and bribery
Wow I'm the champion
Small time burglars, cockroach-class thieves
They are just rubbish

Those who want to be taught, just come to me
Say my name three times Bento
