

## **CIUM PIPIKU**

Sedih hatiku jadinya  
Bila melihat kekasihku.  
Dia telah banyak berubah  
Mungkin sudah bosan padaku.

Senyum senyumlah padaku  
Namun marah saja kerjamu  
Kini aku tak mau tahu  
Beri semua untukku

Chorus:

Pegang tanganku (Pegang, pegang tanganku).  
Rayulah daku (rayu, rayulah daku).  
Bila kau sayang padaku  
Katakan sayang!

Peluk diriku (peluk, peluk diriku)  
Cium pipiku (cium, cium pipiku)  
Bila kau cinta padaku  
Katakan cinta

Senyum senyumlah padaku  
Namun marah saja kerjamu  
Kini aku tak mau tahu  
Beri semua untukku

Chorus: (x2)

## **KISS MY CHEEK**

Sad, my heart has become  
When I see my beloved.  
He has now changed a lot  
Maybe already bored with me.

Smiling, smiling at me  
Although always angry.  
Now I don't want to know  
Give yourself fully to me.

Chorus:

Hold my hand (Hold, hold my hand).  
Seduce me (seduce, seduce me).  
If you love me  
Say that you do!

Hug me (hug, hug me)  
Kiss my cheek (kiss, kiss my cheek)  
If you love me  
Say that you do!

Smiling, smiling at me  
Although always angry.  
Now I don't want to know  
Give yourself fully to me.

Chorus: (x2)
