

Derita Orang Tak Punya

Wanita:

Tubuhmu kurus, hitam dan berdebu
Ditelan perjalanan nasibmu.
Mengapa terjadi harus kau alami
Dari hari ke hari hidupmu sengsara?

Pria:

Sesuap nasi sering tak kujumba
Hauspun kadang ku tak peduli.
Kutabahkan hati, kusadarkan diri
Kelak anak cucuku jangan begini.

Tidurku hanya berselimut koran
Makanku dari belas kasihan
Bajuku tinggallah satu di badan
Rindu ingin pulang ke rumah
Tapi tak punya.

Wanita:

Biarlah untuk hari ini
Semua hanya dalam mimpi.
Hapuslah duka untuk hari ini.
Biarlah mimpi, biar hanya begini.
Kan kutemani engkau sampai mati.

The Suffering Of The have Nots

Woman:

Your body is thin, black and dusty
Swallowed by the journey of your destiny.
Why has it happened you have to experience
From day to day your life is miserable?

Man:

I often do not find a mouthful of rice
Even thirsty sometimes I don't care.
I am determined, I am conscious
That later my grandchildren will not be like this.

I sleep blanketed only with newspapers
I eat from people's pity
I have only the clothes on my body
I long to go home
But don't have one.

Woman:

Let it be for today
It's all just a dream.
Banish sadness for today.
Let it be a dream, let it be like this.
I will be with you until death.
