

suara INDONESIA DANCE

MUSIC. DANCE. RHYTHM.

SUARA INDONESIA DANCE presents an energetic mix of music, dance, body percussion, and song in an informative and entertaining show for all ages. The performers introduce **music, dance and theatre** traditions from across the archipelago, culminating in a group performance of body percussion dances from **Aceh, North Sumatra**.

These highly rhythmic **body percussion dances**, accompanied by drumming and distinctive chanted melodies, are fun and fulfilling - boosting self-esteem and confidence!

Interaction is encouraged with **Randai** - a form of theatre, based on martial arts from **West Sumatra**, where rhythms are made by hitting large colourful pants, a particular favourite with all ages.

Body percussion is a fun, communal way of learning and practicing **RHYTHMS!** The development of musical rhythm, motor coordination and ensemble skills is essential for growing brains and bodies!

“Outstanding. The professionalism, obvious passion and shared knowledge 100% engaged our students.” - Abbey Proud, Principal Newtown PS
