

FRUSTASI

Generasiku banyak yang frustasi
"Broken home" istilah bule-bule luar negeri
Mereka muak lihat papi, mami bertengkar
Mereka jijik lihat papi, mami selalu keluar

Ada urusan yang tak masuk di akal
Mami sibuk cari bujangan
Papi sibuk cari perawan
Timbang kesal, lebih baik aku berkhayal
Jadi orang besar persis Hitler yang tenar
Jadi orang tenar persis Carter jurangan kacang

Mata cekung, mata persis capung
Tingkah sedikit bingung, pikiran mirip orang linglung
Rambut selalu kusut
Disuruh selalu manggut-manggut
Duduk di sudut, hai kasihan
Itu tubuh tinggal tulang sama kentut

Hey, Mister Gele lu tega
Mata gue kok enggak bisa melek
Hey, Mister Gele, duit gopek gua kira cepek
Hey, Mister Gele, perut lapar ada tape
Pas gua sikat asem-asem enggak tahunya teleke dewek

FRUSTRATION

In my generation there are many who are frustrated
"Broken home" is the term used by white people abroad
They are abhorred seeing father and mother arguing
They are revolted seeing father and mother always going out

There is something going on that makes no sense
Mum is preoccupied looking for a bachelor
Dad is preoccupied looking for a virgin
Considering I'm fed up, it's better I indulge in fantasies
Become an important person just like Hitler who was famous
Become famous, like Carter the peanut baron

Hollow eyes body like a dragonfly
Behaviour a little confused, thoughts like a person preoccupied
Hair always tangled
Ordered to always nod the head
Sitting in the corner, hey have pity
All that is left in this body is bones and a fart

Hey, Mister Dealer can't you bring yourself to look
My eyes why can't they stay awake
Hey, Mister Dealer a Rp.500 coin I think is Rp.100
Hey Mister Dealer my stomach is hungry is there any tape
As I rake a sour substance I'm not aware its my own shit.

bule	=	slang term for a person of European origin
