

# INI RINDU

\* Sebelum aku tahu akan artinya cinta  
Terlenaku dibawahnya kesana  
Setelah dia pergi baru aku mengerti  
Kutelah jatuh cinta kepadanya

# Oh ... aku rindu  
Katakan padanya aku rindu  
Oh .. burung nyanyikanlah  
Katakan padanya aku rindu

^ Apabila cinta singgah di hati  
Bola mata sesat buta memandang  
Melihat api seperti air  
Dan melihat air laksana api.

Meskipun banyaknya nasehat asmara  
Namun tiada satu pengobatan rindu  
Telinga pun tuli mata jadi buta  
Begitu panasnya demam asmara.

+ Mulutpun bi bi bi bi bi bi bisu  
Lidahpun ke ke ke ke ke ke kelu  
Ka ka ka ka ka ka karena  
Ci ci ci ci ci ci ci ci cinta

Biarlah cinta berjuta-juta menggoda jiwa (aha X 3)  
Biarlah hati berkeping-keping asal kau di sisiku (aha X 2)

# THIS IS YEARNING

Before I knew about the meaning of love  
In a state of sleep I was carried there  
It was after she had left that I finally realised  
That I had fallen in love with her.

Oh ... I yearn for her  
I said to her that I yearn  
Oh ... let the birds sing  
Tell her that I yearn for her

When love finds a place in the heart  
The eyeballs deviate and look blindly  
See fire like water  
And see water resemble fire.

Although there is much advice about love  
There is no single remedy for yearning  
Ears become deaf and eyes become blind  
That's the heat of the fever of love.

The mouth becomes mu mu mu mu mu mu mute  
The tongue is also mu mu mu mu mu mu mute  
Be be be be be be because of  
Lo lo lo lo lo lo lo lo love

It doesn't matter that millions of loves torment the soul (aha x 3)  
It doesn't matter that my heart is in pieces as long as you are  
beside me (aha x 2)
