

KAULAH SEGALANYA

Mungkin hanya Tuhan
Yang tahu segalanya
Apa yang ku inginkan
di saat-saat ini
Kau takkan percaya
kau selalu di hati
Haruskah ku menangis
tuk mengatakan yang sesungguhnya?

Kaulah segalanya untukku
Kaulah curahan hati ini
Tak mungkin ku melupakanmu
Tiada lagi yang ku harap, hanya kau seorang

Kau takkan percaya
kau selalu di hati
Haruskah ku menangis
tuk mengatakan yang sesungguhnya

Kaulah segalanya untukku
Kaulah curahan hati ini
Tak mungkin ku melupakanmu
Tiada lagi yang ku harap, hanya kau seorang

Kaulah segalanya untukku
Kaulah curahan hati ini
Tak mungkin ku melupakanmu
Tiada lagi yang ku harap, tiada lagi yang ku harap
Tiada lagi yang ku harap, hanya kau seorang

YOU ARE EVERYTHING

Perhaps it's only God
Who knows everything
That I want
At this moment.
You would not believe
You're always in my heart
Should I be brought to tears
To say what is true?

You're everything to me
You're the outpouring of this heart
It's not possible I'll forget you
There is nothing else I hope for, just you.

You would not believe
You're always in my heart
Should I be brought to tears
To say what is true?

You're everything to me
You're the outpouring of this heart
It's not possible I'll forget you
There is nothing else I hope for, just you.

You're everything to me
You're the outpouring of this heart
It's not possible I'll forget you
There is nothing else I hope for, just you.
There is nothing else I hope for, just you.
