

KERETA SENJA

Kereta senja telah tiba didepanku
Semakin sedih rasa hatiku ini
Tak dapat kuberkata
Hanyalah airmata
Membasah di pipiku ini.

Kau belai rambutku
Dan kau usap pipiku
Terucap selamat tinggal untukku.
Tak sanggup hati ini
Berpisah denganmu.
Semakin deras airmataku

Kereta senja t'lah membawa dirimu.
Bilakah engkau kembali?
Disini aku rindu menanti dirimu.
Hanya dirimu yang kuharapkan.

Jangan bersedih dan jangan kau menangis.
Percaya akan janji suciku.
Cinta dan rindu ini hanyalah untukmu.
Kereta senja akan kembali

TWILIGHT TRAIN

The twilight train has arrived in front of me
My heart feels sadder and sadder
I am unable to speak
Just tears
Moisten my cheeks.

You stroke my hair
And you wipe my cheek
And say goodbye to me.
This heart is incapable
Of separating from you.
My tears fall all the more swiftly.

The twilight train has taken you.
When will you return?
Here I yearn waiting for you.
It's just you that I hope for.

Don't be sad and don't you cry.
Believe in my oath (to you).
This love and yearning is just for you.
The twilight train will return
