

## **KODOKPUN IKUT BERNYANYI**

Terang bulan ...  
manis indahnya  
Terbayang-bayang  
cantiknya raut wajahmu  
Hati ini manis berdebar  
Membayangkan kau  
dan aku bermesraan.

Janji nonton berdua  
popi mami kau ajak  
Kok tetangga ikut juga ...  
rombongan!  
Jangankan dapat  
bermesraan.  
Pegang tangan tiada kesempatan  
Pakai acara  
makan-makan  
Habislah gaji sebulan!

Janji mau nonton lagi  
Akhirnya kupergi sendiri  
sambil bernyanyi-nyanyi  
asyik, memang asyik  
Kodokpun ikut bernyanyi .....

## **THE FROGS ALSO SING ALONG**

Bright moon ...  
sweet is its beauty  
Imagining  
the beautiful shape of your face  
This heart sweetly throbs  
Imagining you  
and I being intimate

We arranged to watch a movie together  
You invited you mother and father  
The neighbor also came along ...  
group outing!  
We were much less able to  
get intimate.  
No chance to even hold hands  
Using a program of  
dining out  
There goes a month's wages blown!

We promised to go to the movies again  
In the end I went alone  
while singing  
this is great, indeed it's great  
The frogs also sang along .....
