

KOQ JADI GINI?

Apa sih enaknya ?
Hati slalu tanya
Berpacar-pacaran
Berpasang-pasangan ?

Remaja sekarang
Pikir masa depan.
Tiada waktu luang
Begitu-gituan.

Tapi minggu lalu
Hati kecurian .
Di pipi kananku
Diberi kecupan.
Sampai kini hangatnya
Masih kian membara

Oh Tuhan ... koq jadi gini ?
Aku yang kini
Terbayang-bayang
Si pencuri hatiku.
Koq jadi gini ... kuingin lagi
Ketemu dengan
Si pencuri hatiku.
Koq jadi gini ?

HOW DID IT COME TO THIS?

What is it that's so pleasant?
My heart always asks
Dating with someone
Forming a pair?

Young people nowadays
Think about their future.
There is no spare time
For things like that.

But last week
My heart was stolen.
On my right cheek
I was given a kiss.
Until this moment its warmth
Is all the more ablaze

Oh God ... how did it come to this ?
I am now the one who
Imagines
The one who stole my heart.
How did it come to this ... I wish again
To meet with
The one who stole my heart.
How did it come to this ?

sih	=	particle used to soften questions
enak	=	nice/pleasant
berpacar-pacaran	=	to go out with opposite sex
berpasang-pasangan	=	to form a pair
