

Exercise 1

Watch Learning Object 5, *Eating out*.

Examine the screenshot below and complete the accompanying activities.

			
Sedap Selera	✗	✓	✗
Pondok Panggang	✓	✗	✗
Lalapan Segar	✗	✗	✓
Warung Pak Gendut	✗	✗	✗
Anna suka rumah makan yang mana?	Pondok Panggang		
Nenek suka rumah makan yang mana?	Sedap Selera		
Ibu Smart suka rumah makan yang mana?	Lalapan Segar		

1.1

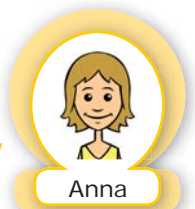

Write sentences where Anna, Nenek and Bu Smart explain which restaurant they want or wish to eat at, and give reasons for their respective choices.

You may use the sentence pattern below. However, do not feel constrained to use only this pattern and endeavour to use a range of appropriate structures. For example:

Saya ingin makan di rumah makan _____ karena _____.

I wish to eat at the _____ restaurant because _____.

After viewing all the available specials they ask questions and then answer each other. In their answers, they give reasons, using *karena* (because), for the choices or opinions that each of them expresses.

Read the pages of the website again to see the specials. Write the questions and answers for Anna and Mrs Smart and for Peter and Mr Smart in the spaces provided. For the questions use the sentence pattern provided in Block 1 (shown again below).

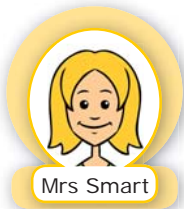

Subject	<i>ingin</i>	verb	noun	yang mana?
	<i>suka</i>		or	
	<i>mau</i>		noun phrase	

For example:

Ibu ingin menginap di hotel yang mana?
Which hotel do you wish to stay at, Mum?

Anna

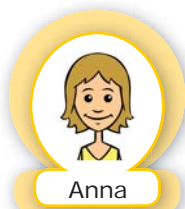

Mrs Smart

Saya ingin menginap di Hotel Grand Hyatt karena fasilitasnya sangat mewah.
I wish to stay at the Grand Hyatt Hotel because the facilities are very luxurious.

Remember that in some instances Indonesians may also use the word *ingin* to express the idea that what they wish for may not be achievable or within the realms of possibility.
