Glimpse of Indonesia

Indonesia is a beautiful country! It is the biggest archipelago in the world; the reason for this is because it consists of 17,508 islands. Even some islands are uninhabited and some remain unnamed. This is why Indonesia really is a big country. Indonesia has 5 main islands Sumatera, Java, Kalimantan, Sulawesi and Papua. One of the most famous islands of Indonesia is Bali. Have you ever been to Bali? What do you like most about Bali?

Fun Fact About Indonesia

1. The Largest Archipelago country in the world
2. The 4th Most Populated Country in the world
3. The Largest Islamic Country in the world
4. Indonesia has more than 300 ethnic groups and languages
5. Borobudur temple in Central Java Indonesia is The Largest Buddhist Temple in the world
