

# Days and dates

In online Learning Object 6 'Which Day?' you heard the characters making arrangements to do different activities on different days. The exercises in this worksheet will help you learn more about days and dates in Indonesian.

## Exercises

1. Yosi is in Year 8. The weekly activities of people in his family and neighbourhood are given in the table below.

Use the information in the table to answer the questions in Part A and Part B of this exercise. Refer to the vocabulary list on Page 3 for help.

| <i>Hari Minggu</i>                                     | <i>Hari Senin</i>  | <i>Hari Selasa</i>                          | <i>Hari Rabu</i>   | <i>Hari Kamis</i>                      | <i>Hari Jumat</i>                                   | <i>Hari Sabtu</i>   |
|--|--|---|--|--|---|---|
| <i>Pada hari Minggu orang Kristen pergi ke gereja.</i> | <i>Pada hari Senin sampai hari Sabtu anak-anak bersekolah.</i> | <i>Pada hari Selasa ibu pergi ke pasar.</i> | <i>Pada hari Rabu bapak pergi mancing bersama teman.</i> | <i>Pada hari Kamis saya les piano.</i> | <i>Pada hari Jumat orang Islam pergi ke mesjid.</i> | <i>Pada hari Sabtu saya pergi ke kota bersama kakak-adik sesudah sekolah.</i> |

### PART A

- i) Each of the names of the days of the week begins with the word *hari*. What do you think *hari* means?

---

- ii) What do you think the word *pada* means?

---

- iii) True or false? Indonesian children go to school on Saturday.

---

## PART B:

Answer the following questions in complete sentences in Indonesian. Refer to the information in the table on Page 1. Begin your answers with *Pada hari*.

Example:

- *Apa yang terjadi pada hari Minggu?* (What happens on Sunday?)
- *Pada hari Minggu orang Kristen pergi ke gereja.*

a) *Apa yang terjadi pada hari Senin?*

---

---

b) *Apa yang terjadi pada hari Selasa?*

---

---

c) *Apa yang terjadi pada hari Rabu?*

---

---

d) *Apa yang terjadi pada hari Kamis?*

---

---

e) *Apa yang terjadi pada hari Jumat?*

---

---

f) *Apa yang terjadi pada hari Sabtu?*

---

---

## Days and dates

2. Look at the dates in this table and match each one with its corresponding event. Write the date of each event on the line provided. The date of one event has been done for you as an example.

| <i>Januari</i>                        | <i>Februari</i>   | <i>Maret</i>     | <i>April</i>      | <i>Mei</i>      | <i>Juni</i>       |
|---------------------------------------|-------------------|------------------|-------------------|-----------------|-------------------|
| <i>tanggal 1</i><br><i>tanggal 26</i> | <i>tanggal 14</i> |                  | <i>tanggal 25</i> |                 |                   |
| <i>Juli</i>                           | <i>Agustus</i>    | <i>September</i> | <i>Oktober</i>    | <i>Nopember</i> | <i>Desember</i>   |
| <i>tanggal 20</i>                     | <i>tanggal 17</i> |                  |                   |                 | <i>tanggal 25</i> |

Example:

*Tanggal berapa hari Natal?*

*Tanggal 25 December.*

*Tanggal berapa:*

- a) *hari ANZAC?* \_\_\_\_\_
- b) *hari Tahun Baru?* \_\_\_\_\_
- c) *hari Valentine?* \_\_\_\_\_
- d) *hari Australia?* \_\_\_\_\_
- e) *keluarga Smart tiba di Jakarta?* \_\_\_\_\_
- f) *hari Kemerdekaan Indonesia?* \_\_\_\_\_

3. Write the date of your birthday into the table above. Then complete the following sentence.

*Hari ulang tahun saya pada* \_\_\_\_\_

Vocabulary:

|                        |              |
|------------------------|--------------|
| <i>sesudah</i>         | after        |
| <i>gereja</i>          | church       |
| <i>sampai</i>          | until        |
| <i>bersekolah</i>      | go to school |
| <i>pasar</i>           | the market   |
