## Making a brochure

2. Now, create your own online brochure in Indonesian about a tourist attraction in Jakarta. Choose one of the many attractions in this city and find out all you can about it. Then, design your brochure. Use the information provided in the table on Page 1 as a guide.

Write at least two sentences describing the attraction. Remember to include in your brochure:

- the name of the attraction (*nama*)
- the address (*alamat*)
- nearest bus stop (*halte bis terdekat*)
- opening times (*jam buka/tutup*)
- entry price (*harga masuk*)
- facilities (*pemandu*)
- other relevant information (*informasi lain*)  
(Refer to online Learning Object 7 'The National Monument'.)
