

# A local place of interest

## REVISION: 1

So far in the 'New Land New Language' modules, you have learnt how to identify, describe, inform and give your opinion in a range of contexts. In this worksheet, you are asked to use this knowledge to write a paragraph about a place of interest in your local area.

Here are some steps for you to follow. If you would like to add extra information, you may.

- introduce yourself (Module 1)
- state where you live (Module 2)
- identify the place of interest (Module 1)
- describe the place of interest (Module 3)
- use words and phrases that indicate location (Module 4)
- if applicable, give relevant information such as opening times and entry prices (Modules 5 and 6)
- describe what people can do at this place (Modules 7 and 8)
- give your opinion of the place (Module 7)
- use linking words in your text to help maintain the 'flow' (Module 8)

Draw a sketch or paste a photo of your local place of interest in the frame provided here.

Write your paragraph on the lines provided on Page 2.
