Which Multiple Intelligence style do you think best sums you up?

# HOWARD GARDNER'S THEORY OF MULTIPLE INTELLIGENCES

# **TERM 4 - Y8 INDONESIAN CULTURAL ASSIGNMENT**

**Take the quiz and see if your response was correct!**

[Multiple Intelligences Test \(Free\) - Personality Max](#)

## MULTIPLE INTELLIGENCES INDONESIAN CULTURAL PROJECT

POINTS	VISUAL/SPATIAL	NATURALIST	MUSICAL	BODILY-KINESTHETIC	LINGUISTIC	INTRAPERSONAL	LOGICAL-MATHEMATICAL	INTERPERSONAL
2	Research a famous Indonesian artist or designer and present your research in a way of your choice. Create your own artwork based on their designs.	Create a Google Earth Tour of some of Indonesia's most spectacular landscapes and locations where animals can be viewed.	Research an Indonesian Instrument or musician/band and present your research in a way of your choice.	Research a famous Indonesian athlete or sport and present your research in a way of your choice.	Translate a passage from the options offered.	Read an Indonesian folklore creation story and an Australian First Nations story. Compare the stories using a Venn Diagram showing their similarities and differences.	Learn how to play Indonesian board games and teach another group.	Design and create a recipe book focused on Indonesian recipes. This recipe book will be emailed or photocopied to give to Galen staff.
4	Design Christmas cards which showcase Bahasa Indonesian language and Indonesian inspired artwork (eg: batik style, use Indonesian characters or animals etc)	Create a poster/video advertisement about the plight of endangered species in Indonesia. Outline the problems they are facing and how we can help them.	Learn an Indonesian song (pop song, traditional etc) and record yourself (you could sing, play an Indonesian song on an instrument of your choice, you could learn to play a traditional instrument)	Complete the sporting club redesign activity whereby you will invent your own sports club in Indonesia. This includes the name of the club, the design of the uniform etc	Re-write a classic story in Bahasa Indonesia or write and publish your own story in Bahasa Indonesia.	Create and publish a children's picture story book or short film about feelings and emotions. Write your story in Bahasa Indonesia.	Create your own maths challenge for a Y7 class with a focus on numbers and colours.	Perform and record a Wayang Kulit puppet show.
8	Build a model of an Indonesian transport type using recycled materials from home.	Build a diorama representation of the rainforest and the animals living within it.	Compose your own song based on an Indonesian traditional story. Similar to how the music accompanies the Wayang Kulit stories. <a href="#">Javanese performance of Wayang Kulit (shadow puppets)</a>	Research an Indonesian sport and run a lesson for the class or a group on how to play the sport.  OR  Learn an Indonesian dance and record your performance	Code a game based on a traditional Indonesian story.	Design and create a model of a famous Indonesian temple or mosque. You could use your own recycled materials for this OR you can complete this task digitally.	Consider Galen Catholic College as 'the archipelago of Indonesia.' Create a map complete with a legend showing where the 'islands' are located. Next, create a QR code orienteering course for others to follow to visit a renowned location/landmark on each 'island'.	Research and cook an Indonesian recipe of your choice.  ** Bu Wells and Bu Walker will arrange a time for you to cook.
