

NONA LISA

Salah tingkah tak karuan
Selalu saja maunya dandan
Depan kaca suka beraksi
Kalau dipikir malu sendiri

Sungguh manis si nona ini
Mencuri mata hatiku kini
Terbawa sampai
di dalam mimpi
Adakah dia dapat kumiliki?

Chorus :

Nona, nona Lisa
Kau buat aku terpana
Cinta membara di dada
Begini salah, begitu salah

Nona, nona Lisa
Kau gadis penuh pesona
Kujadi jatuh cinta
Sungguh-sungguh
Kujatuh cinta

MISS LISA

Her wrongful behaviour is not known
She always just wants to put on make-up
In front of a mirror likes to show off
Thinking about it, she should be embarrassed

Truly sweet is this girl
Has now stolen my heart
Carried it along until
it's in a dream
Is it possible that I can own her?

Miss, Miss Lisa
You make me stunned
Love ablaze in my chest
This way wrong, that way wrong

Miss, Miss Lisa
You're a girl full of enchantment
I have fallen in love
Really
Fallen in love

salah	=	mistake/error
