

Parasit by Gita Gutawa

petir membangunkanku
dari mimpi burukku
selama ini ku hanya terperangkap
dalam medan magnetmu
baru kusadari
kau seperti parasit
minta ini itu
kau minta padaku dengan semaumu

cukup sudah ku kini mulai gerah
ku perlu oksigen
untuk aku bernafas
tanpamu

reff:

pergi kau ke ujung dunia
dehidrasi di gurun Sahara
hilang di segitiga Bermuda
pergi kau ke angkasa
hipotermia di kutub utara
hilang di samudra antarktika
dan jangan kembali

parasit parasit parasit (parasit)
kau memang parasit
parasit parasit parasit

mulanya malu-malu
lalu jadi benalu
minta ini itu
kau minta padaku dengan semaumu

cukup sudah ku mulai naik darah
ku seperti bom atom
yang siap meledak karenamu

reff

parasit parasit parasit
kau memang parasit
minta dibayarin
minta ditraktirin
minta dianggarin
minta dijemputin
minta ditelponin
minta di sms-in
minta dibeliin
dasar kau parasit ah

the thunder woke me up

from my bad dreams

until now I've just been trapped

in your magnetic field

I've just become aware

you're like a parasite

asking for this and that

you ask when you feel like it

I'm getting fairly stifled now

I need oxygen

so that I can breathe

without you

go to the end of the world

dehydrate in the Sahara desert

get lost in the Bermuda triangle

go to outer space

get hypothermia at the N. Pole

get lost in the Antarctic Ocean

and don't come back

parasite parasite parasite parasite

you're really a parasite

parasite parasite parasite parasite

you started all shy

then you became a sponger

asking for this and that

you ask when you feel like it

already my blood is rising

I'm like an atomic bomb

ready to explode because of you

parasite parasite parasite

you're truly a parasite

asking to be paid for

asking to be invited

asking to be budgeted for

asking to be picked up

asking to be phoned

asking to be sms-ed

asking to be bought

basically you're a parasite, yuk
