

PENYESALAN

Baru terasa betapa sepi
sejak dirimu pergi.
Makan aku sendiri
tidurpun sendiri
tiada yang menemani.
Tak kau dengarkan
suara anakmu
panggil-panggil namamu?
Sering dia bertanya
mengapa mama
pergi begitu lama?
Jawaban apa
yang harus kuberikan
pada hatinya yang lugu?
Lelaki mana
yang tak akan menangis
bila sudah begini?

- # Kalaulah boleh aku meminta
untuk yang terakhir
berilah kesempatan
ku rujuk lagi
hati yang terkoyak.
Aku kan bersumpah
jadi seorang suami
untuk satu sang isteri.
Dulu seranjang kita
tidur bersama.
Dulu secangkir kita
minum berdua oh .. oh .. oh.
Namun sekarang baru terasa
perpisahan ini.
Ho .. oh .. oh. Namun sekarang
di rumah ini
semua bagai mati.

REGRET

I've just now felt what loneliness is
since you left.
I eat alone
I also sleep alone
There's no-one to keep me company.
Don't you hear
the voice of your child
calling out your name?
Often he asks
why has mother
been gone so long?
What is the answer
which I must give
to his innocent heart?
What male
Would not cry
in these circumstances?

If I may ask
for the last time
to give me a chance
to make amends for
a heart that's been torn apart.
I swear an oath
to become a husband
for one honored wife.
Previously in one bed we
slept together.
Previously from one cup we
drank together oh ... oh ... oh.
However, it's just now that I've felt
(the effects of) this separation.
Ho ... oh ... oh. Now
in this house
everything seems dead.
