

SURAT CINTA

* Hari ini kugembira
Melangkah di udara
Pak Pos membawa berita
Dari yang kudamba.

Sepucuk surat yang wangi
Warnanya pun merah hati
Bagai bingkisan pertama
Tak sabar kubuka
Satu dua dan tiga ... a
Kumulai membaca.

+ Surat cintaku yang pertama
Membikin hatiku berlomba
Seperti melodi yang indah ... a ... a
Kata-kata cintanya, padaku.

(Repeat *)

Ucapan semanis madu
Tiga lembar rayuannya
Rasanya tak puas hati
Kuulangi lagi
Satu dua dan tiga ... a ...
Kumulai membaca.

LOVE LETTER

Today I'm excited
Striding in the sky
The postman carries news
From the one for whom I yearn.

A perfumed letter
Its color is also red like a heart
Like my first gift
Impatiently I open it
One two and three ... a
I start to read.

My first love letter
Makes my heart race along
Like a beautiful melody ... a ... a
Its words of love to me.

Words as sweet as honey
Three pages of flattery
My heart feels unsatisfied
I have to read it again
One two and three ... a ...
I start to read.
