

TELANJUR SAYANG

Segala cintaku yang kau jala
Membawa diriku pun percaya
Memberikan hatiku
Hanya kepada dirimu slamanya
Sampai kapan juga.
Menjaga segala rasamu
Agar dirimu selalu merasa
Akan cinta kita.

Apakah diriku yang bersalah
Hingga pisah di depan mata?
Tetapi diriku masih
Tetap cinta kamu kasih slamanya
Sampai kapan jua.
Menjaga cinta kita
Agar tetap di tempatnya sehingga
Takkan sampai punah.

Chorus

Seribu ragu yang kian menyerang
Tapi diriku terlanjur sayang
Walau arah mata angin melawan
Tapi ku bertahan dan kuberjalan.

Santun berkata kaupun menanyakan
Mengapa cinta dipertahankan?
Tetapi haruskah dipertanyakan
Bila kuterlanjur kuterlanjur sayang .

ALREADY IN LOVE

All my love that you've cultivated
Brought me to believe
To give my heart
Only to you forever
Until when, no matter.
Watch over all your feelings
So you always felt
Our love.

What is my fault
That we split up?
But I myself still
Always love you forever
Until when, no matter.
Caring for our love
To keep it in place so that
It will not be extinct.

Chorus

Growing doubts by the thousands attack
But I am already in love
Even against the eye of the wind
I survive and continue.

In a mannered you ask
Why should love be sustained?
But why should the question be asked
When I'm already, I'm already in love.
